

TOP SECRET/SENSITIVE

July 20, 1970

Dear Mr. Ambassador:

You were provided a copy of the complete Vietnam Special Studies Group paper on Ceasefire as background for the meeting on July 21. I would appreciate it if you and COMUS MACV could review the paper and give us your thoughts and recommendations on it by August 15.

The study should be handled on a very close-hold restricted basis. Its distribution both in the Embassy and in MACV Headquarters should be limited on a strict "need-to-know" basis for purpose of its review.

Best regards,

/s/ (SIGNED) HENRY A. KISSINGER
